WINS GRAND UNION.

H. P. Whitney Takes Down \$10,000 Stake with Hamburg Colt.

[ST TELEGRAPH TO THE TRIBUNE.] Saratoga, N. Y., Aug. 9.-The colors of the Whitney stable, which were carried to victory by King Hanover in the initial running of the Grand Union Hotel Stakes, were brought home first to-day in the fifth running of the stake by Battle Axe, a colt which many critics consider the best of the present crop of Hamburgs. Oped to him were seven youngsters, which, in the present dearth of good two-year-olds, must be considered as relatively first class.

As has been the case in almost every twoyear-old stake run this year, the top weights failed to carry the imposts, as youngsters of real stake calibre should, and were beaten off. In this particular instance, the failures were F. R. Hitchcock's Vendor and Captain S. S. Brown's

Both had acquired penalties which brought the imposts up to 127 pounds, and both apparently were outclassed. Neither had any other legitimate excuse. Vendor was ridden by Tommy Burns and Accountant by Jack Martin, both conceded to be the best riders of two-year-olds on the Eastern turf.

Battle Axe was in receipt of ten pounds, scale weight, and with this difference in the imposts was by far the best horse in the race. In addition to Battle Axe, Mr. Whitney started another Hamburg, the bay colt Midas. The latter made most of the pace, and through the backstretch and around the turns showed plenty of speed. The others were done to such a turn that Redfern on Battle Axe had little trouble in coming on and winning from Sandy D. by a comfortable

The latter colt ran through his field, and, while his performance seemed an excellent one, there is a question whether it was not a bit exaggerated by the fact that the rest of the field was coming back to him at every jump.

Jerry Wernberg, the Watercress colt, which has always shown just enough that all the control of the control of

Jerry Wernberg, the Watercress colt, which has always shown just enough tautalizing speed to warrant the public playing him, was an indifferent third, and with no apologies to explain a way his performance. O'Neil placed him nicely, and until the last eighth pole was reached had him within striking distance of the leaders.

The race went a long way toward dispelling the theory that Jerry Wernberg wants a longer distance of ground. With nothing to interfere with him, he gave way to Sandy D., which he met on even terms, and was beaten nearly two lengths by him.

The Whitney stable always ruled first choice in the betting and closed at 8 to 5. The players had little time for the top weights and generous prices were quoted against them.

An outsider that was suposed to have a chance because of a fast trial was Ben Hodder. Unless he improves tremendously over his performance to-day it would seem that he had little business in such company. He ran well enough for five furlongs, but stopped there as though he did not care enough about arguing the case out.

As is the case when a steeplechase is on the programme the attendance to-day was materially increased, and so far as the cluthouse patronage was concerned doubly so by the fact that the riders were all amateurs. The race was a handicap over the short course and brought out five representatives from the crosscountry division.

Mr. Harris, who hunts with Major Wadsworth's hounds in the Genesee Valley, had the leg up on Jim Newman, the favorite, and brought

Mr. Harris, who hunts with Major Wadsworth's bounds in the Genesce Valley, had the leg up on Jim Newman, the favorite, and brought the old geiding first home after Daffo Down Dilly and Graceaway fell and Punctual had been shouldered out of the course by a loose horse.

Jim Newman is not an easy horse to ride, and many thought that he would attempt to run out with Mr. Harris. This fact, coupled with the blazing tip that spread from paddock to field on Daffo Down Dilly, helped to buoy the price against him, so that 7 to 5 was to be had in most books.

GEERS HAS CLOSE CALL.

THROWN IN 2:04 PACE.

King Direct Fouls Locanda.

Buffalo, Aug. 9 .- Ed Geers, at sixty years of age the dean of the Grand Circuit driving brigade, had another close call at Kenilworth Park this afternoon. The veteran was in the sulky back of King Direct in the 2:04 pace, the feature REDUCING HURTS JOCKEY. of the day.

In the third heat, at the head of the stretch. King Direct, pacing strongly, stuck his hoof Willie Davis Taken Violently Ill in through the wheel of Locanda's sulky. A wicked looking accident was the immediate result. There was a tangle of horses, sulkies and drivers almost immediately swallowed up in a cloud of dust.

When the scene of action cleared up Geers was seen prostrate on the ground, and Snow was on his feet, making his way to the stand. Locanda had been safely caught and King Direct had started on a wild runaway, dragging somewhat shattered sulky back of him.

A crowd of stable hands and others, including a physician, surrounded Geers. The veteran had suffered a bad cut on his leg and the wind had been knocked out of him, but he speedily recovered his breath, and his first words were: 'Now, don't make a hurrah of this thing and scare everybody to death for nothing."

able to fulfil his engagements in a few days.

Athlone, the gelding which "Get-rich-quick" Ryan is said to have owned, when he ran in the name of U. S. Wishard, was bought to-day by Jack McGinnis, who paid \$3,000 for him. Ryan is still in Saratoga, but since the coup on Athlone was accomplished he has attempted none of his spectacular "killings."

A flag which did not mark the boundary of the course threatened to result in the disqualification of Jim Newman this afternoon. Mr. Clark, who rode Presgrave, thought Mr. Harris, on Jim Newman, had cut the boundary flag, and it was some time before the stewards were convinced that he had really ridden the course.

Presgrave pulled up extremely lame. Many thought Mr. Clark rode a needlessly vigorous finish. His mount was flogged from the quarter pole home, after it was evident that he could not win. Just to show he was all right Geers then came out, and back of Turley in the 2:11 trot, which followed, won the deciding heat, being given a tremendous ovation. The old man has a badly bruised leg, which, coming right on top of his broken leg, received at Memphis last fall, promises to be considerable of a hardship

Another big crowd gathered for the third day's sport, which was over a fine track with fast time. Snyder McGregor, \$100 to \$50 on the field, had the time of his life getting two of the three heats from Norman B. in the 2:08

Turley took the last two heats and the race without great trouble.

The 2:17 pace was a split heat affair, and the bettors were kept on edge throughout. F. J. Park sold a weak opening favorite at \$100 to \$110 on the field, and the heat winners ruled weak favorites in the subsequent selling. Hal T., Bolivar and Charlie Patch each won a heat. The race, which was on the three heat plan, was then concluded, with Bolivar getting first money. Charlie Patch second, and Hal T. third. HORSE FAIR IN AUGUST.

Dates Changed for Race Meet and Show at Empire City.

Directors of the Horse Fair Association held a meeting at the Hotel Astor yesterday and decided to change the dates recently announced for the autumn exhibition at Empire City. Instead of giving the combined horse show and race meeting in the second week in October, they will hold it during the last week in August, beginning on August 21, which is one week from next Monday.

The change of dates was made to avoid a clash with several minor horse shows, and with the fall races at Belmont Park. Another consideration was the news that nearly all of the trotting races of the Grand Circuit meeting, at Boston, in the week beginning August 21, had been declared off, thus opening the door for

some of the best ones to come here.

The franchise of the Horse Fair Association enables it to conduct running races in connec-tion with trotting races without any license from the State Racing Commission, and it is proposed to give each day of the exhibition at proposed to give each day of the exhibition at Empire City Park several horse show classes for thoroughbreds, which will be in the nature of races, performance on the track alone deter-mining the award of the prizes. Similar classes are to be given for trotters, pacers, hunters and high stepping carriage horses, to give spice and variety to the programme.

Many fair guests flocked to the pretty clubhouse from the village and by way of the Sound in launches from

So admirable were the arrangements that dinner was scarcely over at the clubhouse when, at 8:30 o'clock, the signal gun was fired, which turned the dark waters of the harbor into a veritable fairy spectacle. The thousand or more lights and Chinese lanterns illuminated from thirty to forty launches, gigs and rowboats, bobbing up and down, as the line of parade was

formed and the boats began to file in review past the clubhouse float.

RAIN ON BOSTON COURTS

Longwood Lawn Tennis Stopped-Larned and Clothier Default.

Boston, Aug. 9 .- Rain shortly after noon to-day interfered with some of the sharpest lawn tennis seen this week at Longwood. Nine matches, eight in singles and one in doubles, were played, and nother in singles was all but completed when the

In the singles six of the matches, including the unfinished match, were fought through four or There was only one default, but that brought much regret, for it removed from the doubles W. A. Larned and W. J. Clothler, the

favorites for the Eastern championship. The most brilliant lawn tennis of the day was shown in the Leroy-Seaver match, which the rain stopped in the fifth set, with the games four to two in Leroy's favor. Both played a baseline game, with long, low drives and little volleying, and ran

in only when the point seemed sure. The match carried through more than two hours and a half of play, many of the games going to deuce five and six times. In the third set the score went to 13-11 before Seaver won. The effort, however, exhausted him, so that he lost the fourth set ever, exhausted him, so that he lost the fourth set and seemed on the verge of dropping the match entirely when the rain saved him for the day.

N. W. Cabot beat W. C. Grant in a hard five set match, but lost to F. B. Alexander in three straight sets. R. D. Little beat F. G. Anderson and Karl Behr defeated H. J. Holt. E. W. Larned and Clarence Hobart both won.

ing is growing that no better equipped man, nor one more popular with Yale athletes could be found than Talcott B. Hull, who has had some fifteen years' experience with Yale teams, and who preceded Murphy as the Yale trainer.

There is some friction between the advisory committee and the football and track captains and managers over the selection of the new Yale trainer, and a conference will be held this week here between the two factions, Captain Shevlin, of the 1905 Yale football team, coming here from the West for that purpose. At this conference it is anticipated that a trainer will finally be chosen.
